II. Reading and Approval of the Minutes

A motion was made by Commissioner Priestley, seconded by Commissioner Norris, to accept the minutes with corrections. Motion passed.

III. New Business

Due to a member having to depart the meeting early, the regular order of business was abandoned and new business was presented.

A. Future Land Use Discussion:

State Planner Merrill spoke about the existing land use map and the possibility of some areas that needed attention to change zones that were incorrect on the map. These possible areas for correction were also on previous copies of maps. Merrill advised that land use and zoning maps may not necessarily be the same map and the necessary rezoning could be taken care of on future land use maps. Due to pertinent facts, the decision on changing some areas to different zones was postponed to the next meeting.
